Waz 275-29

Reference to Government order No. 1015/14 Duz. 9-2-10 dated 11th November 22, sanctioning an establishment for the management of properties of the Sri Wyanaswastani Math in British India, I have honor to state that when the management of these properties had been previously vested with Government two Sub Agents one at Brizani and the other at Tirupati had been appointed to assist the agent in his work, to collect the cutta amounts and to attend to court work and generally all matters connected with the properties in their charge. Present agent Mr. E. J. Sava Nurti proposes the appointment of two Sub Agents, one for the Madura range with Head quarters at Madura on a basis of Rs. 40/- per mensem, and the other for Northern Districts with Head quarters at Tirupati on Rs. 50/- per mensem, in addition to the appointment of a temporary clerk on Rs. 25/- per mensem, for one year for the Salem District exclusively, as there are very heavy arrears in respect of Pondalampethi and Thirumanayakampathi villages, in addition, to a number of pending suits which require attention.

It seems to me that no separate clerk exclusively for the Salem District is necessary in as much as the court work can be conveniently looked after by the agent, the collection work being entrusted to the Fernans of the respective villages on payment of the usual collection charges. The Collector of the District will be separately advised on the matter.

The appointment of the two other Sub Agents on a basis of Rs. 40/- and Rs. 50/- per mensem, may be sanctioned, as proposed by the agent.

The agent proposes that the Sub Agents may be given local travelling allowances, i.e., single third class fare by rail, per diem

bus fare in the case of road journeys and a daily
allowance of 12 per day of hall. The railway and bus f
the agent seem to be allright and may be sanctioned.

I solicit the favour of very early orders on the above
proposals.

I have the honor to be,
Sir,
your most obedient servant,

District Commissioner.
